Parking

6. Parking spaces, upon commencement of the occupancy agreement, shall be unobstructed and completely accessible for State's use.

**Services,
Utilities, and
Supplies**

7. Owner, at Owner's sole cost and expense, during the term of this occupancy agreement shall furnish the following services, utilities, and supplies to the area occupied by the State, and also to the "common" building areas (if any) such as lobbies, elevators, stairways, corridors, etc., which State shares with other users, if any:

- A. Sewer, trash disposal, and water service, including both hot and cold water to the lavatories.
- B. Elevator (if any) service.
- C. Electricity and/or gas as necessary to provide power for heating, ventilating, and air conditioning, and electrical or gas service as needed for State's operations.
- D. Pool, pool area, and pool equipment, if any.

In the event of failure by the Owner to furnish any of the above services or utilities in a satisfactory manner, the State may furnish the same at its own cost; and, in addition to any other remedy the State may have, may deduct the amount thereof, including State's administrative costs, from the rent that may then be, or thereafter become due hereunder.

Repair and Maintenance

8. During the term of this occupancy agreement, the State shall maintain the occupied premises in good repair.

Assignment and Subletting

9. The State shall have the ability to assign this occupancy agreement.

Quiet Possession

10. The Owner agrees that the State, while keeping and performing the covenants herein contained, shall at all times during the existence of this occupancy agreement, peaceably and quietly have, hold, and enjoy the occupied premises without suit, trouble, or hindrance from the Owner or any person claiming under Owner.

Destruction

11. If the occupied premises are totally destroyed by fire or other casualty, this occupancy agreement shall terminate. If such casualty shall render ten percent (10%) or less of the floor space of the occupied premises unusable for the purpose intended, Owner shall effect restoration of the premises as quickly as is reasonably possible, but in any event within thirty (30) days.

In the event such casualty shall render more than ten percent (10%) of such floor space unusable but not constitute total destruction, Owner shall forthwith give notice to State of the specific number of days required to repair the same. If Owner under such circumstances shall not give such notice within fifteen (15) calendar days after such destruction, or if such notice shall specify that such repairs will require more than ninety (90) days to complete from date such notice is given, State, in either such event, at its option may terminate this occupancy agreement or, upon notice to Owner, may maintain occupancy and elect to undertake the repairs itself, deducting the cost thereof from the rental due or to become due under this occupancy agreement and any other occupancy agreement between Owner and State.

In the event of any such destruction other than total, where the State has not terminated the occupancy agreement as herein provided, or pursuant to the terms hereof has not elected to make the repairs itself, Owner shall diligently prosecute the repair of said premises and, in any event, if said repairs are not completed within the period of thirty (30) days for destruction aggregating ten percent (10%) or less of the floor space, or within the period specified in Owner's notice in connection with partial destruction aggregating more than ten percent (10%), the State shall have the option to terminate this occupancy agreement or complete the repairs itself, deducting the cost thereof from the rental due or to become due under this occupancy agreement and any other occupancy agreement between Owner and State.

In the event the State remains in possession of said premises though partially damaged, the rental as herein provided shall be reduced by the same ratio as the net square feet the State is thus precluded from occupying bears to the total net square feet in the occupied premises. "Net square feet" shall mean actual inside dimensions and shall not include public corridors, stairwells, elevators, and restrooms.

It is understood and agreed that the State or its agent has the right to enter its destroyed or partially destroyed occupied facilities no matter what the condition. At the State's request, the Owner shall immediately identify an appropriate route through the building to access the State occupied space. If the Owner cannot identify an appropriate access route, it is agreed that the State may use any and all means of access at its discretion in order to enter its occupied space.

Subrogation Waived

12. To the extent authorized by any fire and extended coverage insurance policy issued to Owner on the herein occupied premises, Owner hereby waives the subrogation rights of the insurer, and releases the State from liability for any loss or damage covered by said insurance.

**Fair
Employment
Practices**

14. During the performance of this occupancy agreement, the Owner shall not deny benefits to any person on the basis of religion, color, ethnic group identification, sex, age, physical or mental disability, nor shall they discriminate unlawfully against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical handicap, mental disability, medical condition, marital status, age, or sex. Holding Over

15. In the event the State remains in possession of the premises after the expiration of the occupancy agreement term, or any extension or renewal thereof, this occupancy agreement shall be automatically extended on a month to month basis, subject to a forty-five day (45) days termination by the State and otherwise on the terms and conditions herein specified, so far as applicable. If the last rental amount shown in Paragraph 4 included the amortization of a capital sum expended by Owner for certain alterations and improvements, as described in a separate paragraph herein, and the capital sum has been fully amortized, the holdover rent shall be reduced by the amount of the monthly amortization. If the State fails to vacate the premises within the notice period and remains for an extended period, additional rent shall be paid and prorated on a thirty (30) day month, based on the actual number of days the State occupies the premises following the effective date of termination.

Surrender of Possession

16. Upon termination or expiration of this occupancy agreement, the State will peacefully surrender to the Owner the occupied premises in as good order and condition as when received, except for reasonable use and wear thereof and damage by earthquake, fire, public calamity, the elements, acts of God, or circumstances over which State has no control or for which Owner is responsible pursuant to this occupancy agreement.

Time of Essence, Binding upon Successors

17. Time is of the essence of this occupancy agreement, and the terms and provisions of this occupancy agreement shall extend to and be binding upon and inure to the benefit of the heirs, executors, administrators, successors, and assigns to the respective parties hereto. All of the parties hereto shall be jointly and severally liable hereunder.

No Oral Agreements

18. It is mutually understood and agreed that no alterations or variations of the terms of this occupancy agreement shall be valid unless made in writing and signed by the parties hereto, and that no oral understanding or agreement not incorporated herein, shall be binding on any of the parties hereto.

21. State agrees that it will comply with all applicable laws existing during the term of this occupancy agreement pertaining to the use, storage, transportation, and disposal of any hazardous substance as that term is defined in such applicable law. 22. Upon termination of this Occupancy agreement, Owner agrees that the equipment installed by the State shall be and remain the property of the State, and State shall remove such property when vacating the premises.
