This Agreement is of no force and effect until signed by both Parties.

2. RIGHT TO TERMINATE

The State reserves the right to terminate this Agreement without cause upon thirty (30) days advance written notice to the Contractor. Contractor may submit a written request to terminate this agreement only if the State should substantially fail to perform its responsibilities as provided herein.

However, the State may terminate the Agreement for cause. The term "for cause" shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the Agreement. In this instance, the termination of the Agreement shall be effective as of the date indicated on the State's notification to the Contractor. The Contractor agrees to be as fully responsible to the State for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. To the extent permitted by law, the Contractor shall defend, indemnify, and hold harmless DGS, including all of their appointees, officers, and employees from and against any and all claims, suits, or actions for "injury" (as defined by Government Code section 810.8) arising out of the Contractor's performance under this Agreement, but only in proportion to and to the extent that the injury is caused by the negligent or intentional acts or omissions of the Contractor, or the Contractor's appointees, officers, or employees, during the course and scope of this Agreement.
- B. Neither termination of this Agreement nor completion of the acts to be performed under this Agreement shall release any party from its obligation to indemnify as to any claims or cause of action asserted so long as the event(s) upon which such claim or cause of action is predicated occurred subsequent to the effective date of this Agreement and prior to the effective date of its termination.

3. AUDIT

The awarding department, the Department of General Services, the Bureau of State Audits, or their designated representative shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this Agreement. The parties agree to maintain such records for possible audit for a minimum of three (3) years after final

The parties agree to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, the parties agree to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Agreement. (Gov. Code, § 8546.7, Pub. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to DGS, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
- D. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

5. WORK HOURS AND SAFETY STANDARDS

The Contractor must comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. - B. In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

- D. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- E. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
